ORDER

KATHERINE B. FORREST, District Judge:

In light of the discussion at the September 4, 2013, final pretrial conference in this matter and the Court's oral ruling granting defendant-claimant Alavi Foundation's motion in limine to exclude evidence of the fact of the FBI's December 2008 search of its offices, the Court wishes to inquire as to whether the parties would stipulate to the authenticity of the Alavi documents that were seized by the FBI and subsequently reproduced by Alavi in the form of a statement that "if called to testify, a custodian of records would indicate \_\_\_\_". No later than Monday, September 9, 2013, the parties shall confer and submit a joint letter indicating whether they have entered into such a stipulation.

SO ORDERED.
